**Care More. Speak Up. Stand Out.**

## **North America's Leading Speaker on Peer Pressure, Risk-Taking and Traffic Safety**

For more than 25 years, Cara has been a highly sought-after, internationally-known inspirational and educational speaker who has impacted the lives of over two million students worldwide.

Drawing the immense personal tragedy of watching her identical twin sister die in a car crash the day after their 18th birthday, Cara's inspiring presentations focus on building resilience, dealing with peer pressure, becoming a role model, being You-nique and avoiding negative risks such as drugs and alcohol.

Through humor and touching stories, Cara captivates her audience and leads them on an emotional roller coaster ride. She'll have you laughing one minute, crying the next and never forgetting a little dance that just might save your life!

"Outstanding presentation with long-term impact. Our students will remember Cara and her message more than any other speaker, so will yours - guaranteed!"
